RARE CRANCE FINE LANDS!

IN EQUITY. Fairfield District, South Carolina. Liney Harrison vs. Johnson & Harris. Ed Harrison--Declar. for Sale of Lands, &c.

IN pursuance of the decree of the Court of Equity made in this case, I will offer for sale at public auction, at Winstonsboro, S. C., on MONDAY, the third day of December next, being the first Monday in that month, several thousand acres of the finest COTTON and GRAIN LANDS in the State, belonging to the estate of John Harrison, sr., deceased.

These lands are all in Fairfield District, and are composed of the following several tracts or plantations, viz:

1. The TRACT known as the "River Place," containing about 3,333 acres, more or less, lying immediately on the banks of the Wateree River. This plantation contains about 1,200 acres in original forest, and several hundred acres of rich river bottoms, now in a high state of cultivation, and has upon it all necessary buildings, &c. It is decidedly one of the best cotton and grain plantations in the South-eastern country.

2. The TRACT known as the "Dutchman's Creek Place," containing 2,122 acres, more or less. This tract is also a No. 1 cotton and grain plantation, with a large creek running through it, and has upon it all necessary buildings for laborers, stock, &c.

3. The TRACT known as the "Bryant Place," containing 545 acres, more or less. On this place is a very comfortable Dwelling House, with a number of out-houses, &c.

4. The TRACT known as the "Sand-hill or Home Place," containing 308 acres, more or less. Most of this place is in original woods, and is a high and healthy place, and is the homestead of the late John Harrison, sr.

5. The TRACT known as the "On-board Church Place," containing 150 acres, more or less. Nearly the whole of this tract is covered with a thick growth of the very largest and finest long leaf pines, particularly suited to railroad purposes, shingles or anything which is made from pine timber; and it lies within two miles of the Ridgeway Depot, on the Charlotte and South Carolina Railroad, with a good, level wagon road leading thereto.

6. The TRACT known as the "Salt Pond Race-track," containing 100 acres.

The terms of sale are as follows: The purchaser of the "River Place" will be required to pay the sum of \$500 and one-sixth of the amount for which it sells, and its proportionate share of the costs and expenses of the suit and sale is cash; and for the balance, a credit will be given until the 1st of January, 1897, with interest thereon from the 1st of January, 1897, at which time possession will be given, secured by bond, with at least two approved sureties, and a mortgage of the premises. For all the other tracts, one-sixth of the amount at which they are bid off, together with so much as may be necessary to aid the "River Place" in defraying the costs and expenses of suit and sale, will be required to be paid in cash on day of sale; and for the balance, a credit until the 1st of January, 1897, with interest from 1st of January, 1897, at which time possession will be given, secured by bond, with at least two sureties to each, and a mortgage of the premises.

All the purchasers will be required to pay in cash for titles, &c., and any purchaser will be at liberty to pay in cash for the whole of his purchase, if he desires to do so. **HENRY A. GALLAHUE,** Commissioner in Equity.
